Stephen Gale

Wave 2-22-85

HEBER CITY (LRJ) Stephen Gale is the art department at Wasatch High School. He is creative and, yet, there is a great deal of his talent pointed in directions that are far from subjective. Computers, electronic visual media, math, earth science, and the yearbook give him rather straight lines to follow.

Mr. Gale is multifaceted and multi-experienced. Service in Viet Nam and Panama have shown this man much more than he would have seen if he had stayed in Boise, Caldwell or Blackfoot, places he once called home. He graduated from Orem High School and attended BYU where he also graduated. His teaching experience has been at Wasatch where he has been active in his chosen field-art. He was even one of the founders of the Wasatch County Arts Council and has constantly encouraged art activity in the area.

The U.S. Forest Service also relies on the talents and skills of Mr. Gale. Each summer he assumes duties in mountains and loves the out-of-doors so much that he would like to live full time in the mountains. He knows the area well and serves the community by participating in Wasatch Search and Rescue.

Mr. Gale married Madeleine Moulton and they have 4 children Adam, Matthew, Joseph and Elizabeth. He loves children and inspires all those in his care to do their best and develop leadership through responsibility.
